COUNTRY GROCER DONATION

I would personally like to thank Country Grocer for their generous donation to Coal Tyee School. Linda, an employee from Country Grocer dropped off \$500 worth of gift cards to help support our lunch/snack program and vulnerable families in our communities. In total Country Grocer donated \$11,000 to Nanaimo schools. "Way to Go CG"

CANNED GOODS COLLECTION CONTINUES THIS WEEK

Our grade 7 leaders will continue collecting non-perishable items to support several families in our community and the Salvation Army this week. Students are encouraged to bring in items to the foyer in front of the Library.

There is plenty of room under our tree for more donations.

Upcoming Events

HOLIDAY MARKET/ YOUNG ENTREPRENEUR FAIR

The grade 6s from Ms. Pakulak's and Ms. Funke-Robinson's classes are having a holiday market on Wednesday, December 18th. The students have been working hard to make and market their products as part of their business plans. All students will have the opportunity to purchase small items for a few dollars, if they would like.

FLOOR HOCKEY

Floor hockey started this week with two games. The Flames played the Oilers on Wednesday and the Kings played the Leafs on Friday. There was some exciting action with plenty of skill being demonstrated. Congratulations to the Flames and Kings on their victories this week.
