GRADE 7 EVENTS & FREEZIE FRIDAYS

We are working on yearend celebrations for our grade 7 students. While we will not be able to do a dinner as in years past, we will be able to have a lovely, catered luncheon (kid appropriate of course). The students will also be able to have an adventure that is unique to just the grade 7s.

The long awaited **FREEZIE FRIDAYS** will be returning in May! Our new routine will be to pre-order! We will have 6 sale dates - May 14, 21, 28, June 4, 11 and 18. Families will be able to PRE-ORDER for the entire time, or purchase each week. Sales will be handled primarily through School Cash OnLine. We do not want to exclude anyone from the opportunity of participating in these sales, so if the OnLine process is not possible, please send Dr. Charles (diane.charles@sd68.bc.ca) an email and we will work something out. The order information will be sent home in the first week of May.

GARDEN LESSONS - WEEK ONE DONE!

The weather could not have been better for week one of the garden classes with Stephanie from Nanaimo Food Share. The kids were so excited to get their seeds planted. We have 16 different themes, one for each division in the school. Now the waiting begins ...
See you Tuesday Stephanie!

EARTH DAY April 22, 2021

Mrs. Tye lead the whole school in an Earth Day art celebration! The above clips are action shots taken from each classroom during this event. Stay tuned for our next NewsFlash - we will feature all of the artwork. The students will get to do a "gallery" walk around the school, looking at all the different art mediums (paint, pastel, crayon, etc) that were used to complete the projects. I can't wait to see everyone's work. Thank you Mrs. Tye for bringing us all together - what a gift to share your talent and enthusiasm for the arts with the entire school!

THE GREAT DUCKY DIVE OF 2021

Looking for some absolute cuteness? Check out the footage of the ducks that visited kindergarten last week as they took their first swim!
