BEING SUN SMART

It looks like we may be in for some warm weather! Students are encouraged to bring hats to wear outside at the recess breaks, as well as other times during the school day. Please remember that our water fountains are not accessible due to Covid restrictions. All students need a refillable water bottle so that they can stay hydrated during the day.

GARDEN UPDATE

Our garden lessons have (almost) come to an end! Stephanie, our wonderful facilitator from Nanaimo Food Share, postponed the sessions on Wednesday due to rain. These lessons will be made up next week. The garden looks amazing! I highly encourage a walk around this weekend to check out and see what is happening. Thank you again to the PAC for sponsoring this wonderful learning space.

FIELD TRIPS!
