WELL, THAT WAS FUN!

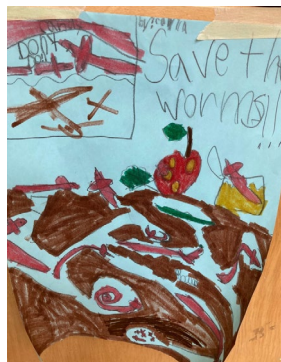

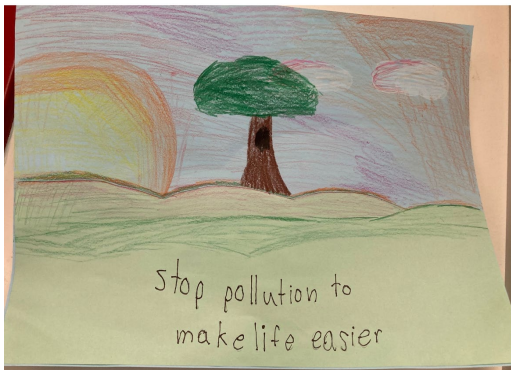

Someone had to go first. And we did! We were the very first elementary school to use Rotary Bowl for a school track meet since the facility was taken over by the city and the Nanaimo Track and Field Club. There were some hiccups along the way (keys would have helped! Oh, and the plumbing – yuck!) but we had a successful day overall. The weather was acceptable, for the most part, the students who attended did their best to run, jump and throw – and WE WERE ON TIME FOR THE BUSES! Our Zone Track Meet is a long way away – it isn't until June 2. We will be posting the results from our school meet next week and will then work on a plan of support for the students who will represent our school at the next meet. Thank you to everyone who came out to support our students, to cheer them on, to measure and time, and to dodge the raindrops.

Most heard phrases from the day included “Stay in your lane”; “Is it time for the *** (fill in the blank) yet?” “When can we go home?”

EARTH DAY

Today is Earth Day! Many classes spent time reflecting on the gifts given to us by Mother Earth. Div 7, Ms. Mathieson's class, did an extra litter clean up. Ms. Tye continued her weekly collection of garbage before school as well.

Here are a few of the sites from the hallways and classrooms.

“Happy Earth Day”
