TRACK AND FIELD APRIL 19TH FINAL REMINDERS

With fingers crossed that the weather will cooperate so we can have a great day, our school Track Meet is Tuesday! Coming off the 4-day weekend and right into the event makes final reminders more challenging! Please note the following:

1. This is a rain or shine event – students need to dress in layers. It can be quite cold and windy at Rotary Bowl!
2. Students will remain in the stands when they are not competing.
3. Students need to bring snacks, a lunch, and a water bottle. Washrooms will be available.
4. All staff have assigned duties, and we thank our volunteers who have stepped forward to help make this meet a success!
5. Busses arrive for 8:40 – please make sure your child arrives before the bell on Tuesday!
6. Unless there has been a conversation with Dr. Charles, students are expected to participate in this curricular event. There is no “at school” option for students choosing not to attend the meet as all staff that normally work with the participating students will be at the meet.
7. Apart from the 100M and 200M sprints, all results will be posted after the track meet. This may take a few days so patience is appreciated!

THANK YOU, PAC!

Our PAC – which is really all of you wonderful parents and caregivers, is very generous with the funds that they raise. They provide direct support to classrooms in the way of discretionary funding for special projects and supplies, and they have recently confirmed their support for field trips, allowing staff to book many different outings (as evident in the long list in the calendar updates). On Tuesday, we got to experience another special event, courtesy of PAC! We had our first full-school live performance in the gym! Axé Capoeira, a group with its roots in Brazil captured everyone's attention with a combination of dance, acrobatics, music, and theatrics. Check out some of the action!
