TRUTH AND RECONCILIATION – PARENT RESOURCES

After the success of the Curriculum Implementation Day at the beginning of May, the Department of Learning Services created follow-up resources for staff. I am excited to share that a similar resource has been created for parents too! Attached to this week's NewsFlash is a document called, "Truth and Reconciliation Quick Links", complete with background information from Kevin Lamoureux, the guest presenter on our day of learning and reflection, and direct links to the following websites: The National Centre for Truth and Reconciliation (<https://nctr.ca/>); First Nations Child and Family Caring Society (<https://fncaringsociety.com/>); FNEC – First Nations Education Steering Committee (<http://www.fnesc.ca/>); and the 94 Calls to Action of the Truth and Reconciliation Commission (https://www2.gov.bc.ca/assets/gov/british-columbians-our-governments/indigenous-people/aboriginal-peoples-documents/calls_to_action_english2.pdf). We invite all families to join our journey as we continue to walk in two worlds.

ENERGY CUP WINNERS

We won! Here at Coal Tyee, we are doing our part to help conserve energy. Mary Zuccaro, our District Energy Manager visited us this week to present a certificate, mini-cup, and a cheque for \$400. It's time to think about how to spend it on some green initiatives. Thanks again to our Grade 7 Eco-Team for all of their help this year.
