## WELCOME BACK TO THE FLASH!

It is Friday – which means it must be time for the weekly Newsflash! For returning families, you will recognize the Flash as our weekly communication regarding what is happening at our beautiful school. New families, this Newsflash replaces monthly newsletters. It is really important that we have everyone's email address so that you can receive these communications. Our NewsFlash is posted to our school website and added to the PAC Facebook page.

## STUDENT CONSENTS AND STUDENT VERIFICATION FORMS

You will have received an email message from the School District indicating that all the yearly consent forms will be sent out via a new App. It is critical that these forms are completed as soon as possible so that students can use technology and go on walking field trips (including marsh walks). I do like to use as many student photos in this NewsFlash as possible – but I need your consent to do that too!

On Monday, students in grades 1-7 will take home their student verification forms. Please review all of the information on the forms, make any corrections or additions, and return to school by the end of the week.

## SCHOOL SUPPLIES FOR 2022-23

Student supplies for the 2022-23 school year have been pre-purchased by the school. The cost, including planners or other communication options, is \$50.00 per student. This fee can be paid through School Cash Online, or with cash or cheque at the office. It is possible to pay in installments as well! Supplies will be distributed on Monday to students once they are in their regular classrooms.

## THE PASSING OF QUEEN ELIZABETH

*We are sending our thoughts to all those in mourning, especially the Royal family, following the death of Canada's longest-reigning Sovereign, Her Majesty Queen Elizabeth II.*

*School spaces across our Country have long been adorned with Her Majesty's portrait. She has been a constant presence in Canadian schools for generations.*

*Her Majesty's death offers an opportunity to reflect on her life and the role of the monarchy in Canada. We also acknowledge what the Queen's role represents as we continue our conversations about colonization, truth and reconciliation. These critical conversations lay before us in the days, weeks and years ahead.*
