### UPDATE ON STUDENT PHOTOS – MOVE OF RETAKE DAY

The most asked question this week has been, “When will the student photos arrive?” I wish I had a better answer than “I’m not sure” but I don’t! We have been in contact with Edge Photography and they have confirmed the photos have been shipped, and we have received the electronic version used for student identification in our information system (your kids are adorable by the way!)

Due to the delay we have **rescheduled our retake day to Wednesday October 26** instead of next week. We promise to send home the photos as soon as we get them.

### FORMATIVE ASSESSMENT CONFERENCES – EARLY DISMISSAL NEXT WEEK

On Tuesday you should have received an email from Margaret Westaway, our Vice-Principal, inviting you to sign up for the formative assessment conferences next week. I am included the link below in case you missed the email or forgot to choose a time. Please come in the front doors for your meeting, and check the lost and found on your way to your child(ren)’s classroom. Some teacher may ask for students to attend with their parents, so please check planner messages for these details.

### PAC UPDATES

Your PAC (Parent Advisory Council) is working really hard on several initiatives right now – so hard, in fact, that we are having weekly meetings! The PAC relies heavily on the Family and Friends of syuwé'nc't Elementary School Facebook group for communication, especially around things like Fun Lunch and other fundraisers. Sending home paper reminders is not consistent with the school district environmental

stewardship goal, nor consistent with how we do things here at the school! We are limited in what can be sent out by email to families via the platform that I use for my communication. However, Mrs. Lundine does send out notices via the school messenger service. I want to thank our PAC volunteers for their tireless efforts in support of all of us here at syuwén'ct! You make a huge difference in our school!
