FAMILY AFFORDABILITY FUND

The District emailed a message to families today about the one-time grant received to help families offset the high cost of inflation this year. The Family Affordability Fund is intended to support families who are struggling to make ends meet. Some of the things that could be considered for support through this fund include help with school supply fees, Munch-a-Lunch orders for fun lunch from the PAC, and our upcoming Spirit Wear order. All schools have available funds – if you have children in more than one school please make sure you are connecting with all schools so that the funds can be used as expeditiously as possible. We will be meeting as a school team to make some preliminary plans for the funds, and will be sharing this information with our PAC. Please know that any and all requests for assistance will be treated with upmost privacy and respect!

SIGNAGE ON THE SCHOOL

The new signs for our school are on order and we look forward to their installation! I have included the mockup drawings so you can see what they will look like.

SPIRIT WEAR IS COMING!

I am excited to share that our first syuwéñct Spirits spirit wear order will be emailed out on Tuesday! What is even more exciting is that Ay Lelum The Good House of Design (<https://www.aylelum.com>) will be doing this and future orders for us! It was a goal of mine to find an indigenous supplier for our spirit wear, and we are so fortunate that Ay Lelum is now ready to take this on! (Joel Good created our logo and bentwood box.)

We are going to keep the first order simple – two choices in colours for t-shirts and hoodies. The grade 7 hoodies will also be order right away. The lettering on the clothing will be in teal, with syuwéñct Spirits printed under the supernatural eagle logo. Turn around for orders will be quick so that items can be here before the winter break!
