### PARTNERING WITH NALT, THE CITY OF NANAIMO AND syu'wé'nc̓t!

If you have visited the Northfield Marsh trail the is adjacent to our school parking lot you may have noticed a new information kiosk. This is the latest addition of our partnership with NALT – and now with the city! For three years students have been learning about the marsh and we have been wanting to share their knowledge with the greater community. Moving forward, you will see updates in the kiosk from your own children! Yes, our students are going to share what they are learning with the community! Ms. Lupichuk's grade 2 class is the first group to showcase some of their learning.

This work ties in directly with the NLPS Board Goal of Stewards of the Land, and in particular the “Environment Stewardship Action Plan” or ESAP. I invite families to become actively involved in looking after Mother Earth by taking the Nanaimo Climate Pledge

## FROM THE LIBRARY

One of the weekly routines for all students is their visits to the library to work with Ms. Kristin, our teacher-librarian. Ms. Kristin created a Instagram page, syuwenct.reads so she can share what is happening in this very important space in our school. This week her post featured work done by students celebrating how special their names are after reading *Thunder Boy Jr.*

## ON THE WALLS

Ms. Westaway's grade 6/7 class has been doing some amazing artwork! They have also been working on material related to Black History Month. Check out their efforts!
