Jump Rope for Heart!

Today was our Jump Rope for Heart Day. Students participated in staggered jumping events today and great fun was had by all! We are truly impressed by the student engagement in our recent Jump Rope for Heart initiative. As of 3:30pm today, our school has raised an incredible \$2535 to support the Heart and Stroke Foundation of Canada! Well done, syuwé'ñct Spirits!

Donation pages will be open until April 15, so please keep going with the wonderful fundraising efforts!

Bicycle Riding

As the weather gets warmer, more students are riding their bicycles to school. Bike riding is a fun way to get around, but to ensure everyone's safety, we ask that bikes not be ridden on school grounds when school is in session (including the half hour before and after school). This also applies to scooters and skateboards. Thank you for your help and support with this matter.

A Warm Welcome

Help us welcome our newest teacher! Ms.Cant will be teaching Music classes and Division 15 (Tuesdays). Welcome to the syuwéñct family!

Parent/ Guardian Volunteers for Track and Field

Track and Field season is fast approaching! We are looking for parent volunteers to help out with the meet on Tuesday, May 16 from 9am -1:15pm. If you are interested in helping with this fun event, please contact Ms.Dickie via the school office.

Buddy Classes

Buddy Class activities are a wonderful way to nurture connection between older and younger students. Both groups benefit from these experiences: sharing knowledge, learning how to work together, taking turns, helping one another, but most of all having fun! Buddy classes Division 5 and Division 13 spend time together each week. This week, they had fun colouring and assembling paper Easter baskets!
