GETTING READY FOR THE LAST 4 DAYS!

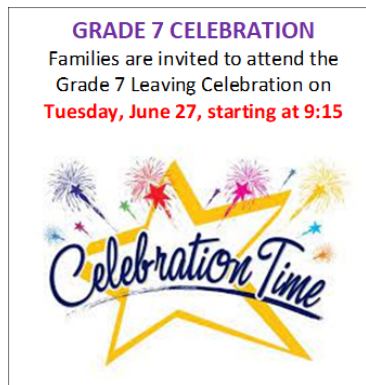

How did this happen? We have only 4 days of school left for the 2022-23 school year! These days are filled with special events – here are the details:

Monday June 26 – All school trip to Rathtrevor.

- Please make sure your children arrive by 8:50 so they can be loaded onto one of the many buses that will be taking everyone to the beach
- Family members are more than welcome to join us at the beach; however, you will need to arrange your own transportation to and from the park
- Students need to be dressed to play on the beach for the day – please send sunscreen, hats, water shoes, towels, sand toys, balls, frisbees, and lots of food and drink – please label your children's stuff so we can return it to them!
- This is a **NO SWIMMING** field trip – **no exceptions**, even for children whose parents are at the beach. There will be plenty of tide pools to explore, but students must remain within the boundaries set by the school.
- Our area will be marked with cones and flags – students will need to stay within these boundaries.

Tuesday June 27 – Grade 7 Celebration

- Assembly at 9:15-10:15. Families are encouraged to attend. Our intermediate students will also attend the celebration, and siblings of grade 7 students in K-3 are welcome to attend as well, sitting with family members.
- Bowen Park Party – 10:45-1:30. Students will play, swim, and have lunch (pizza, snacks, drinks, and dessert). Family members are welcome to attend this part of the day as well.

Wednesday June 28 – Final Assembly

- 10:40-11:40. Full-school assembly. Families welcome, although seating will be limited.
- Dance Club will be performing
- Included in the program will be a tribute to Mrs. Reynolds, who is retiring at the end of June after 26 years here at syuwénct!

Thursday June 29 – Last Day

- Regular hours
- Water fight (sponges) to end the day – HELP NEEDED – 1:30-2:00
- Grand Exit for Grade 7s
- Report Cards emailed home

Being stewards of the land, we will be using sponges, not water balloons, for our water fight! If you would like to help fill containers with water, please let the office know! (Help needed from 12:00-2:00)
